

Verificare a Orei de Semnare – Referinta GMT / Signing Time Verification – GMT Reference

Aceasta verificare a fost realizata folosind modelul lingvistic AI (ChatGPT) furnizat de OpenAI, pe baza metadatelor extrase direct din documentele semnate digital. Ora afisata corespunde fusului orar UTC+0 (GMT) si a fost corelata cu ora locala din Romania (EEST, UTC+3), conform datei de 1 iunie 2025. This verification was conducted using the AI language model (ChatGPT) provided by OpenAI, based on metadata extracted directly from digitally signed documents. The displayed time corresponds to UTC+0 (GMT) and was correlated with the local time in Romania (EEST, UTC+3) as of June 1st, 2025.
